**Re: Chemical Recovery Systems (CRS), Inc., Conditional Approval to the Quality Assurance Project Plan and Acceptance Notification for the Health and Safety Plan**

Dear Mr. McWilliams:

This is a conditional approval notification for the second revision of the Quality Assurance Project Plan for the RI/FS at the Chemical Recovery Systems, Inc., Elyria, OH. The approval is contingent upon your providing the Agency with the original signed signature page (page i of xii) of the QAPP. The Field Services Section (FSS) received the subject QAPP on May 6, 2003 (SF Login No. 3014).

The Agency also finds your 1st revision to the Health and Safety Plan acceptable, with no further comments. We are preparing comments regarding the Work Plan and Field Sampling Plan. It is my goal to provide you with those comments by May 21, 2003, if possible.

Sincerely,  
Gwendolyn Massenburg
